

Dear Sisters in Christ,

You are invited to the Suncoast Church of Christ's Ladies Day. Our theme this year will be "These are the Women We Come From". As part of our theme, we will be honoring the Christian Ladies in our community that have exhibited virtuous qualities and served the Lord faithfully like Timothy's grandmother Lois (II Timothy 1:5). We encourage your congregation to nominate 1 to 2 Christian women that have exhibited these qualities. Please submit each nominee's name and an essay of 100 words or less indicating why your nominee should be recognized.

All nominations should be sent to [office@suncoastchurchofchrist.com](mailto:office@suncoastchurchofchrist.com) by September 26, 2024.

Also during our Ladies' Day, we will be hosting a tea party. Ladies are encouraged to wear a hat or fascinator as part of their attire. Please be sure to RSVP via email to [office@suncoastchurchofchrist.com](mailto:office@suncoastchurchofchrist.com) with the total number of people from your congregation that plan to attend by September 12, 2024.

In His Service,  
Pamela Rolle
